# Time-tested. Certified. And more.

The Vinyl Siding Institute sponsors a certification program that assures the quality of vinyl siding by offering manufacturers the means to independently verify the quality of our products through third-party testing and inspection.

Through this program it was certified that Mastic vinyl siding products meet or exceed the performance standards set forth by ASTM D3679 and the color retention requirements of ASTM D6864/D7251, so you can have confidence our products will perform well, season after season.

## ASTM STANDARDS

WITHSTAND THE IMPACT OF RECOMMENDED INSTALLATION PROCEDURES.

Mastic siding is designed and engineered to withstand impact beyond that required by ASTM D3679.

STAY ON THE HOUSE IN HEAVY WINDS OF AT LEAST 110 MPH.

Quest is rated at up to 240 mph.

LAY STRAIGHT ON A FLAT WALL AND NOT BUCKLE UNDER NORMAL CONDITIONS.

Our product development team subjects Mastic products to a battery of rigorous tests to ensure superior quality and performance and, in addition to lay-flat design features, some Mastic products are even designed to hide existing imperfections in construction.

WITHSTAND THE EFFECTS OF NORMAL SEASONAL TEMPERATURE FLUCTUATIONS.

With our exclusive Duranyl 5000 Protection System and Hang-Tough™ Technology, Mastic products are engineered to persevere in the most extreme conditions.

MEET MANUFACTURERS' ADVERTISED SPECIFICATIONS FOR LENGTH, WIDTH, GLOSS AND THICKNESS — AND HAVE A MINIMUM THICKNESS OF .035.

Quest features a premium thickness of .046 — 31% thicker than the minimum requirement.

Consult the VSI website at [www.vinylsiding.org](http://www.vinylsiding.org) for a current list of certified products.

# THE EXTERIOR SOLUTION FOR Color.

## QUEST PROFILE AND COLOR KEY

Due to printing limitations, colors may not be exactly as shown. Refer to actual sample and color chips for best match.

**See for yourself with Dreamhome.** Choose a house from 20+ styles that best reflects your own home. And then, bring your vision to life as you mix and match from our complete range of premium siding products and designer colors. Find Dreamhome in the Design Center at [www.mastic.com/dreamhome](http://www.mastic.com/dreamhome).

## TRI-LINEAR RIGIDITY

Quest provides extra rigidity in three critical areas. Siding panels stay straight and true with 200% more rigidity than standard siding.

### TORNADO-TOUGH, DOUBLE-THICK NAIL HEM

Fold-over nail hem features a projected stop and provides a stronger anchoring surface — siding stays firmly in place, even in high winds.

### ENHANCED FULL 3/4" PANEL PROJECTION

Oversized to provide extra rigidity — and uniquely angled to create straighter, deeper shadow lines.

### PATENTED T3-LOK®

Panels grip together for fast, easy installation — uniquely designed lock tightens under pressure so siding stays put even in the most challenging weather.

### NEW PREMIUM .046 THICKNESS

Superior thickness and impact resistance.

### LONGER LENGTHS AVAILABLE IN DOUBLE 4" AND DOUBLE 4-1/2" DUTCH LAP — 16' 8" AND 25' 6"

Fewer seams — for a cleaner, straighter, professional look. Ideal for larger homes and light commercial applications.

### WIND SPEED — RATED UP TO 240 MPH

Mastic's proprietary design and engineering delivers a panel that achieves superior wind resistance.

### DURANYL 5000® PROTECTION SYSTEM

Proprietary technology adds extra UV protection to our deepest, most vivid colors — protects color against harsh elements and maximizes long-term weatherability.

### EXCLUSIVE HANG-TOUGH™ TECHNOLOGY

Boosts durability so panels are more resistant to cracking, impact and thermal distortion. Color resides throughout the panel — virtually eliminating the appearance of nicks and minor surface scratches.

### V.I.P. LIMITED LIFETIME WARRANTY

Premium guarantee of lasting quality and peace of mind — backed by Mastic, a trusted industry leader for 50+ years (see warranty for complete details).

### CLASS 1(A) FIRE RATING

### METRO-DADE COUNTY APPROVED

### QUEST HAS BEEN GREEN APPROVED BY THE NAHB RESEARCH CENTER.

This means you can be assured that Quest complies with specific green practice criteria in the National Green Building Standard. Visit [www.GreenApprovedProducts.com](http://www.GreenApprovedProducts.com) for more details.
